III. Application for New Service

Applicant does hereby further make application for a permit to excavate in the street, road, alley or other public right of way or easement at: _____ (Address)

for the purpose of making a connection to the City sewer main at said address.

Applicant does hereby further make application for a permit to:

Discharge domestic strength wastewater into the City sewer
 (Residential)

Discharge non-domestic strength wastewater into the City sewer
 (Commercial or Industrial)

Discharge storm water and other unpolluted drainage to storm sewers
 (Storm Water)

IV. **Representations, Covenants and Agreements of Applicant for New Service.**

Applicant, in consideration of the issuance of the permit to discharge as described above and the permit to excavate do(es) hereby agree(s) as follows:

1. To perform faithfully and with due care and skill the work of excavating and making the connection to the City sewer main and in accordance with all applicable codes and regulations.
2. To pay all costs and expenses incident to the installation of the building sewer and connection with the City sewer line.
3. To indemnify and hold the City of Hermantown and it's Utilities Commission harmless from any loss or damage that may be directly or indirectly occasioned by the installation of the building sewer.
4. To comply with the requirements of the applicable ordinances and regulations of the City of Hermantown and other governmental bodies with respect to the construction, installation, connection and use of such sewer line.
5. To notify the City Superintendent when the building sewer is ready for inspection and connection to the City sewer line and allow the City Superintendent to inspect and approve such installation, including the installation within the building to be served by such service line, before a connection is made to the City sewer line.
6. To pay to the Utility Commission with this Application a Permit Fee of **\$85.00**.
7. To agree to pay to the Utility Commission for the purpose of paying for the construction, reconstruction, repair, enlargement, improvement, maintenance and operation of the entire sewer system of the City of Hermantown a connection charge of **\$800.00** in cash or under a standard Utility Commission Sewer Service Agreement.

8. To pay any assessment levied or to be levied against the Property described herein for any benefits received by such property as the result of the construction of the sewer main adjacent to such property, or if no such levy has been made or will be made, to pay such amount as may be determined by application of the then policy of the Utility Commission for front foot service charges in cash or under a standard Utility Commission Sewer Service Agreement.
9. The connection charge agreed to be paid hereunder is in addition to any assessment levied or to be levied against such property as such connection charge does not pay for any of the benefits that such property receives from the construction of the sewer main adjacent to such property, but rather is to pay for the items described in paragraph 7 hereof for the entire sewer system of the City of Hermantown.
10. To obtain and submit with this Application any permit required for excavation in a County or State of Minnesota right of way from the St. Louis County Highway Department or the Minnesota Highway Department.
11. To verify the location of any other utilities in the area of excavation and to notify the owners of such utilities before starting any excavation.
12. To maintain the sewer service line from my (our) property to the City sewer main including the connection, in good condition at all times at my (our) expense.
13. To pay, when due, all charges made by the City for sewer service provided to the property described herein. In this regard, Applicant understands and agrees that should a delinquency occur in the payment of any amount owed to the City for sewer service, that the City may discontinue providing water service to applicant, certify the delinquent amount to the County Auditor for collection with real estates taxes due on such property and/or take whatever other actions are allowed by law to collect any such delinquent amount.
