Tennessen Warning - Data Practice Advisory

Some or all of the information that you are asked to provide on the attached application is classified by state law as either private or confidential. Private data is information, which generally cannot be given to the public, but can be given to the subject of the data. Confidential data is information which generally cannot be given to either the public or the subject of the data. Our purpose and intended use of this information is to consider your application. You are not legally required to provide this information. You may refuse to provide this information. The consequences of supplying or refusing to supply data are that your application may not be considered or it may be denied. Other persons or entities may be authorized by law to receive the information.

City of **Hermantown** Minnesota

Note:

- Applicants are encouraged to contact City of Hermantown staff prior to submitting the application to learn more about the site and relevant issues.
- Attach all appropriate documentation, including all details relevant to the application.
- Submittal requirements include three (3) complete paper copies of the wetland delineation, and electronic copies in both PDF and CAD (or GIS) format.

By signature below, the applicant requests a determination from the City of Hermantown under Minnesota Rules 8420.0225 on the submitted wetland boundary and type of information in this application. The applicant affirms that they are the owner of the subject property or have permission from the landowner to pursue this information.
